

FULL BODY TRANSFORMATION IN LONDON AWARD WINNING CLINIC

MESSAGE FROM OUR FOUNDER

Dr Mannina Rhode

Another exciting year for DRMR.

Having launched our skincare line in 2020, I won Dentist of the Year in 2022 and on 1st July 2022 we opened our flagship branded DRMR Clinic in Knightsbridge, London.

2023 we won an award for Best New Practice.

2024 we launched our optimised DRMR Whitening Gel.

It's been an exciting journey as we continue to excel and grow.

We opened one of the first full body transformation clinics in the U.K. and hand picked a team of experts to help you with:

Cosmetic Dentistry

General dentistry

Dental hygiene

Specialist Orthodontist to help you with braces

Implantologist to replace missing teeth and for complex extractions

Facial aesthetician with all the latest techniques to help you look and feel better

DNA testing to help with biohacking, health, weight loss, fertility and combating ageing

Dietitian

Body coach to optimise your physical health

To celebrate the launch of our DRMR Whitening Kit - which we believe to be the Best in the World - we will be giving away a kit (worth £220) to every patient who visits DRMR Clinic in July and has a set of whitening trays they can bring in with them for us to check the fit.

Here is video to see why our whitening kit is the absolute best.
